

GET TO KNOW BDO – GOVERNMENT CONTRACTING

Federal Government Marketplace Entrance & Strategic Expansion

ENTERING THE FEDERAL SPACE

With an extensive team of longtime industry leaders, BDO provides strategic support to break in and expand your presence within the federal contracting and grants marketplace, including: strategic planning, market analyses, opportunity identification, value proposition refinement, relationship development and direct engagement, proposal writing and management, and program administration.

SERVICES LISTING:

Competitive Intelligence & Market Analysis:

Our comprehensive analytical strategies provide clients with a complete view of the operating landscape and a strategic roadmap for leveraging intelligence, research to anticipate opportunities and roadblocks, and key communication strategies to engage target audiences. Our team has worked with both large and small companies across the defense, energy, technology, healthcare, transportation, and financial sectors.

Contract/Grant Opportunity Identification & Prioritization:

We build a qualified contracts and grants pipeline based on your key services and opportunities that offer the highest probability of win. We continuously monitor contract and grant opportunities from state and federal agencies.

Refine Value Proposition, Marketing Collateral, and Key

Arguments: We work with your team to refine your value proposition, products and services, and marketing collateral that speaks directly to government buyers and decisionmakers, centering your arguments on their needs, policy objectives, and priorities.

Design & Execute Integrated Capture Strategies + Teaming:

Our teams design and execute tailored capture strategies based on our clients' core capabilities. We engage government contracting officers, program offices, and key decisionmakers to lay strong foundations for successful contract and grant pursuits. We also connect you with strategic teaming partners to shore up critical gaps and weaknesses compared to our clients' competition.

Develop & Prepare Compelling Proposals: We provide a full suite of expert proposal writing services for contracts and grants. Our team provides detailed proposal strategy and win-theme development aligned with our clients' objectives, resulting in compelling and compliant narratives and cost proposals.

Continuous 360°Feedback: Our team incorporates lessons learned to improve our clients' operational efficiencies and increase their likelihood of winning future contracts and grants. We also co-develop key performance indicators (KPIs) with you to ensure optimal implementation and monitor contract/grant program progress.
